Thank you!

As students you have been amazing with the systems we have put in place to keep you all safe.

However now the weather is changing and following your feedback we are making changes to the school day.

Aspiration - Independence - Resilience - Respect

Every year group at break and lunch will now have access to indoor and outdoor space. This means students can purchase food at break and lunch again. To do this we need to amend the timetable to create longer lessons so staggered breaks/lunches throughout the day can take place.

# Year 7, 9 and Sixth Form

Year 7 and Year 9 will have access to the canteen every break and lunch. Plus have outdoor space (All weather pitch) if they wish.

Year 12/13 will continue to pre order food, collect from the canteen and eat in the SF area/or use the tennis courts.

# Year 11, 10 and 8

You will have access to the Satellite Cafe and main hall every break and lunchtime. The main hall will be set up as a dining room so you have seating areas, plus you will have access to the sails area outside if you wish to go outside.

# Timings

We will introduce a two week timetable Week A and B, teachers/rooms stay the same but when these take place will differ.

For example if you have on a Monday P1 Maths, P2 English, P3 Science, P4 History and P5 Spanish.

Your new timetable would be

WEEK A - Mon P1/P2 Maths, P3/P4 English. P5 remain the same so would be Spanish.

WEEK B - Mon P1/P2 Science, P3/P4 History then P5 Spanish. However your break would be slotted within the lesson.
